

# It's time to put your money to work for you

All you have to do today is enroll in your company 401(k) plan.

Then let your money grow with tax benefits while you get back to what's important to you.

Benefits when you save in your 401(k) account:

1. Lower your taxable income
2. Grow your savings faster by postponing taxes on your contributions and interest

Enroll today in the 401(k).

- Log in to Insperity Premier™ at [portal.insperity.com](https://portal.insperity.com).
- Select 401(k) and click on the *Enroll Now* button.

If you are new to 401(k), **SmartPlan** can help you learn what you need to know and get you easily enrolled.

Questions? Call **888-401-5273** to speak with an Insperity 401(k) Contact Center specialist.
